

ARTS & CRAFTS – DANCE FESTIVAL / OPENING CEREMONY

BANNER / POSTER DESIGN CHALLENGE

We would love to see our SENDactive Partner Schools design and create a banner(s) or poster(s) ahead of our *Dance Festival / Opening Ceremony*, taking place on Friday 16th October.

WHAT SHOULD I CREATE?

- Working individually, in small groups (socially distanced) or as a class / bubble (socially distanced), design and create a banner or poster that represents your school.
- You may wish to include your school badge; school values; images of your school; words or pictures of the activities you enjoy at school or what school means to you; or whatever else you choose.
- You can use any medium (collage, drawing, painting, computer) to create your banner or poster.
- There is no limit to the number of posters or banners per school or even per person.
- Templates are provided on the next pages, which some young people may prefer to use.
- Names should NOT be visible (i.e. they should be on the back)

WHEN SHOULD I CREATE IT?

- Your teacher will allow you time to create your banner or poster.
- Please aim to have your creations completed by Friday 9th October.

WHAT HAPPENS NEXT?

- Ask your teacher to send a picture(s) of your amazing creations to matt@sendactive.org
- They will be published on the SENDactive website and Twitter account (@SENDactive).
- You can also display them during the LIVE Dance Festival / Opening Ceremony.
