SENDactive Agility, Balance, Coordination Challenges | Scoresheet

Print this scoresheet as many times as required and use it for your own records before submitting scores via the SENDactive Partner School Dashboard at www.sendactive.org. Please store this document securely (adhering to your school procedures), to allow for overall winning individuals and teams to be identified, as participant identifiers will not be asked for when submitting your scores.

Please refer to the Agility, Balance, Coordination Activity Card and respective videos for information regarding how to set-up, score and adapt each challenge. Your PE Coordinator will be able to provide these.
